## 16 Other information

Help with application	No
Attachment Other	
Other reasons why you should be granted a residence permit	My son's priority was to establish himself in Sweden before bringing me over to ensure a smooth transition. I'm delighted to share that he has now successfully settled in Sweden with a fulfilling job. With his life in order, he's eager to reunite, and I'm equally enthusiastic about joining him to live together. I really am counting days before we are with each other
